

2019 NMRFAM Structure Determination Workshop

June 2-7th

Introductory level workshop on determining a protein structure by NMR!

Hands-on sessions led by experienced NMRFAM staff.

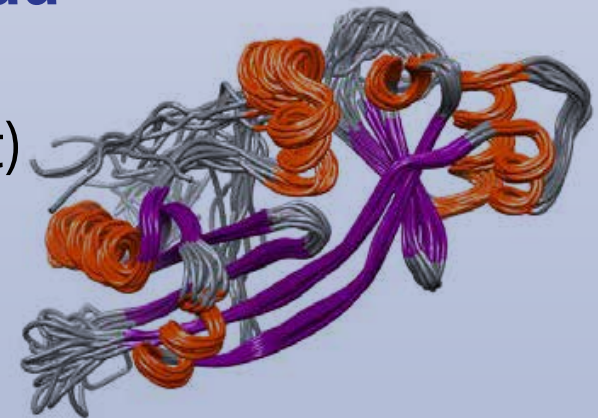

NMR spectral analysis software supplied for installation on your laptop.

Become an NMRFAM user and solve your own structures!

More information at: <http://www.nmrfam.wisc.edu>

Last day to register: **05/27/2019** (limited enrollment)

Don't miss out on this popular workshop!

Please contact: Lai Bergeman if you have questions. E-mail: lai.bergeman@wisc.edu
